News and upcoming events

Congregational meeting Following the visit of the Rev Dr Euan Dodds to the congregation on the weekend of January 18th and 19th, and the subsequent meetings of the Kirk Session and Vacancy Committee, the Kirk Session has decided to call a congregational meeting on Tuesday 18th February, at 7.30 pm, to ascertain the degree of support for considering Rev Dr Dodds as a suitable candidate for the vacant post of minister of the congregation, contingent upon his application to become a minister of the Free Church of Scotland being approved by the General Assembly in May. This is an important meeting and we urge every member and friend of the congregation to do their utmost to attend.
